

## SFdA SCHOOL ADVISORY BOARD

WHAT IS A  
CATHOLIC SCHOOL  
ADVISORY BOARD?

An advisory board is a consultative board, made up of members from the SFdA parish community, to assist the pastor and principle with communication, development, and policy.

WHAT ARE THE  
GOALS OF THE  
ADVISORY  
BOARD?

In June 2017 the advisory board began focusing on these four goals as a Pastoral Plan. Each goal supports our mission of making SFdA the school of choice in Flagstaff.

**1)COMPLETE THE BUILDOUT OF THE NEW BUILDING**-When the new building opened, just like moving into a new home, there were still projects to complete. The advisory board works with faculty and staff to continuously identify and address classroom and facility needs.

**2)FULLY FUND TUITION THROUGH CEA AND OTHER STOs**-Out of pocket tuition cost from families should never keep a child from an SFdA education. CEA is an Arizona state program that allows taxpayers to redirect a portion of their state taxes to the school. This lowers tuition costs and benefits all school families.

**3)ENHANCE THE RELATIONSHIP BETWEEN OUR PARISH AND SCHOOL COMMUNITY**

**4)STUDENT ENROLLMENT/RETENTION**-There are many great schools in our Flagstaff community. Our goal is to ensure SFdA continues to provide students the strongest academic and spiritual development around.

WHEN DOES THE  
ADVISORY BOARD MEET?

Meetings are held the last Tuesday of every month at 6:45 pm. Meetings are open to all parents, unless the board needs to discuss something in Executive Session. If you have a topic for discussion please let a board member know a week ahead of time so it can be added to the agenda. This allows for productive and constructive meetings.

Angela Buzan:

I am a National Board Certified English teacher with fourteen years' experience. I am a lifelong advocate for all students, professional teachers, and safe schools. I am a former Debate coach, Fulbright Fellow, teacher leader, and educational writer and presenter. In 2018, I was recognized as the Coconino County Teacher of the Year Ambassador. Prior to teaching, I worked four years in aviation maintenance and auditing at an ISO9000 International Certification agency. None of my achievements would have emerged without the creative and skilled guidance of my own teachers. The most important and meaningful titles I hold are Mother and Wife. My daughter is a Pre-K student at SFdA and my husband is a former educator.
